

ASTEROIDS

CABARET

New Asteroids Cabaret™ is specifically designed to help expand location opportunities and player potential.

Contemporary styling, compact size and profit-proven play popularity make Asteroids Cabaret the perfect solution for a wide variety of sophisticated environments and for space-limited locations.

- Space-saving design occupies only four square feet of floor space
- Illuminated attraction panel

- Lightweight for easy mobility
- Standard two mock coin door
- Shilded monitor eliminates glare
- Rich wood grain side paneling
